See your position. Read the tactics.

Your game → Lineup / Tactics

Lineup shows who starts and where. Tactics shows the captain’s formation, play style and instructions.

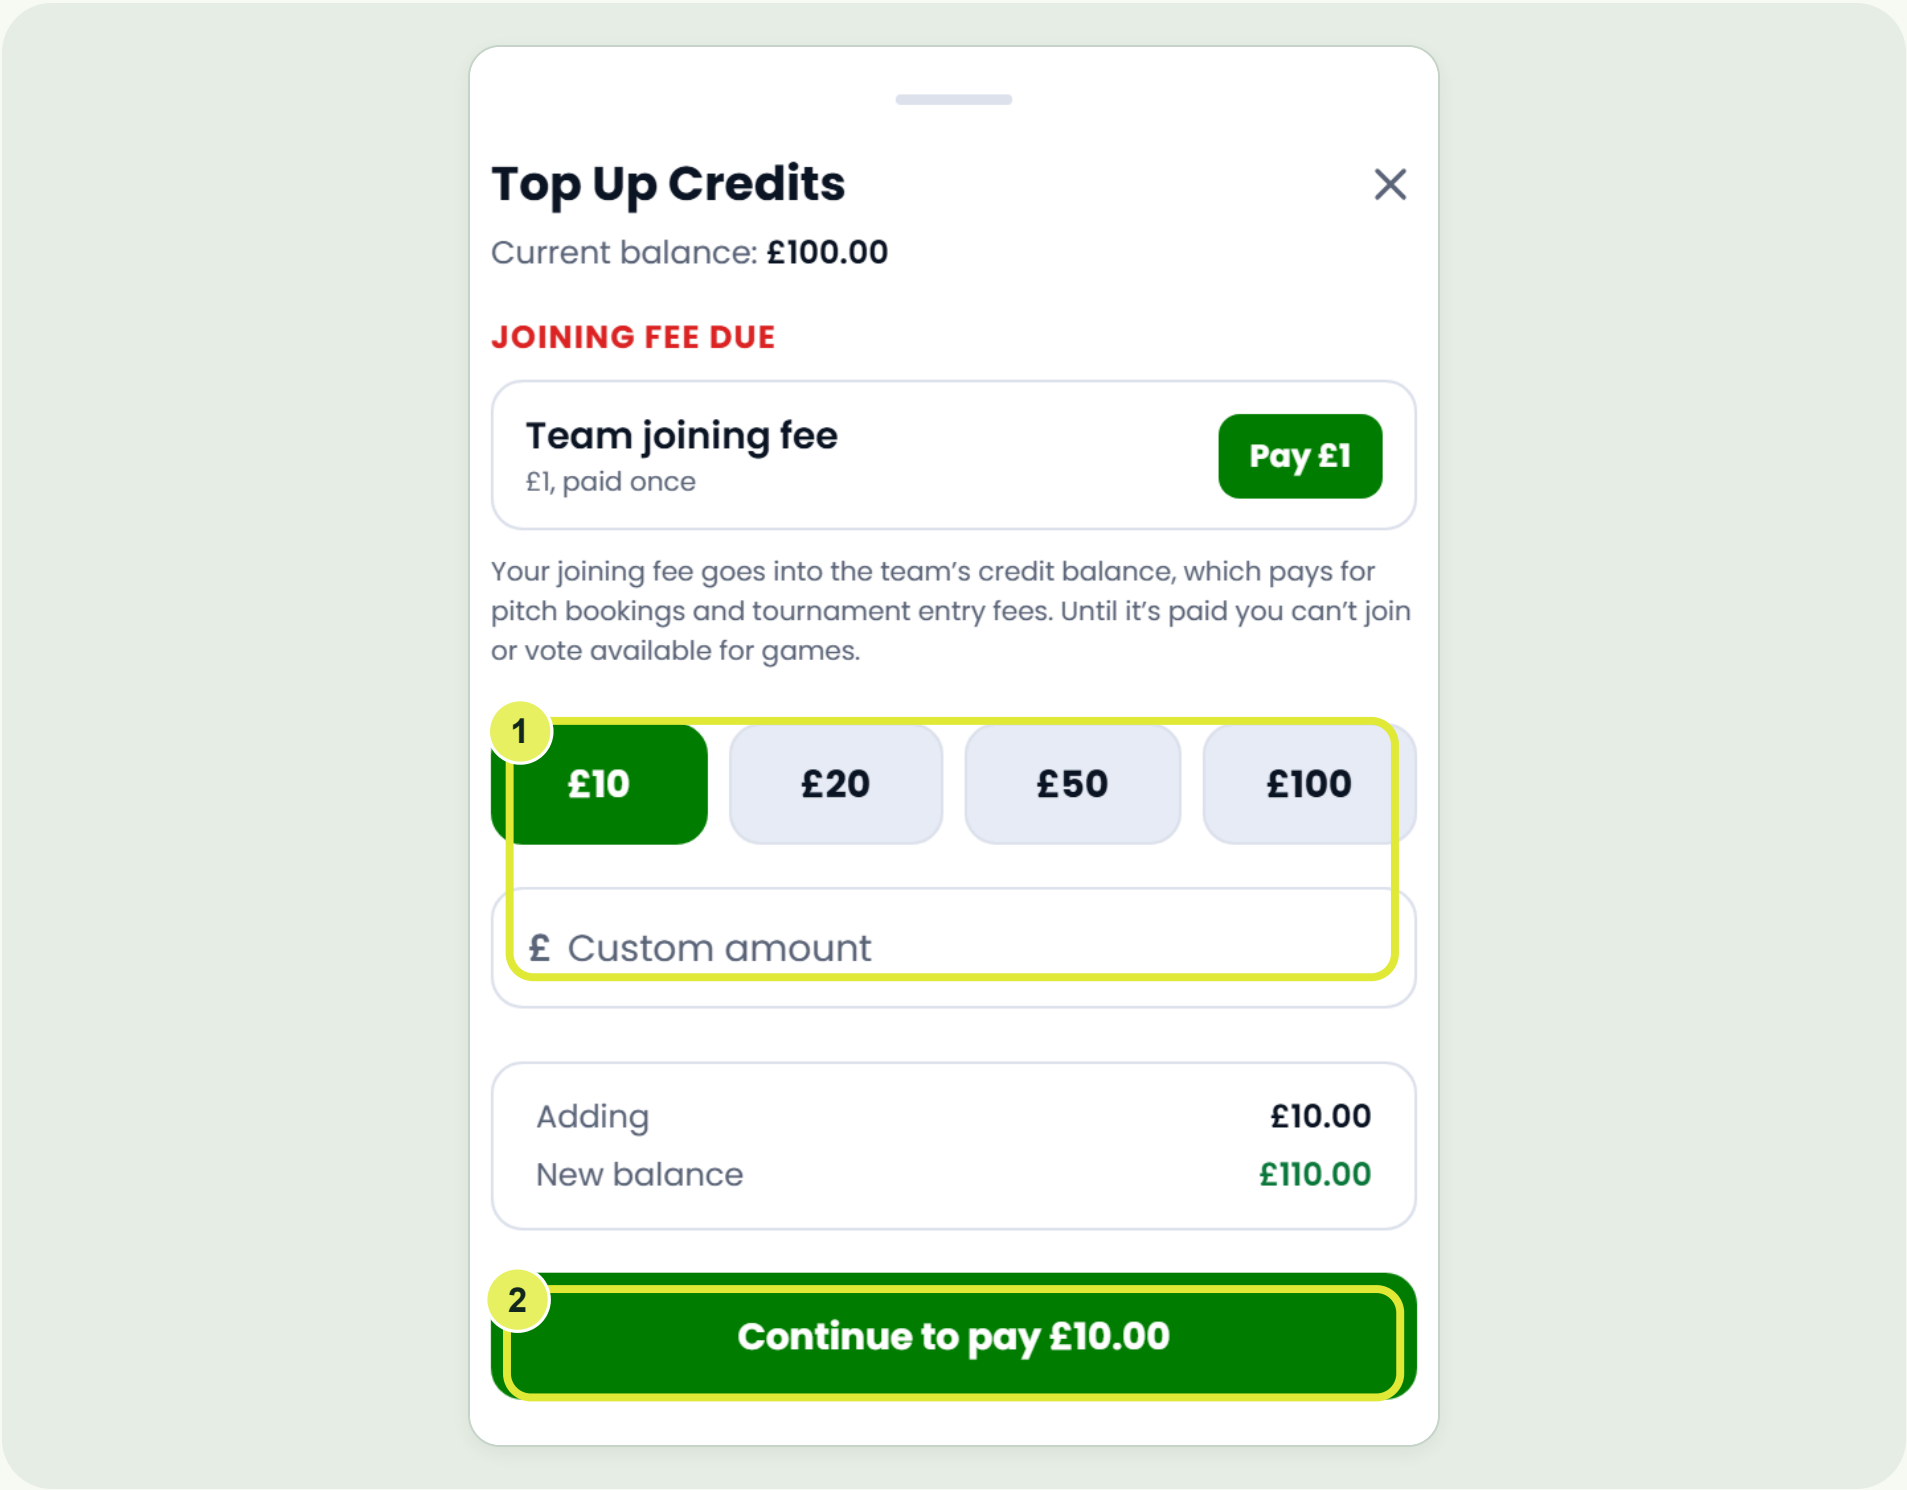

- 1 Lineup: check your position for this specific game.
- 2 Tactics: read the captain’s plan and instructions.

General setups are in My Team → Tactics. Players view; captains edit. If nothing is saved yet, ask your captain.

After each game, top up your share.

Home → Top Up Team Credit

After each game, open Top Up Team Credit to pay your share for the game you just played.

- 1 Pay the listed game amount, or enter the share your captain requested.
- 2 Check the total, continue to pay and wait for confirmation.

Your top-up adds to team credit. Check any amount still due after paying. A saved card may charge immediately.
